

Your doctor would like to know more about how HAE affects your life between attacks.

Fill out this form to talk about your experience with your doctor. The following questions are intended to help you think about how HAE impacts you beyond the physical pain and swelling of an attack.

- 1** How often do you worry about or plan around the unpredictability of a future attack?
Please check one.

————— ————— ————— —————

always often sometimes rarely never

- 2** Do you limit how far you travel due to fear of an attack?
If yes, please describe how you limit your travels.

- 3** Can you think of a recent time you avoided committing to social plans? *Please describe.*

- 4** Have you ever passed up an educational or professional opportunity? *Please describe.*

- 5** In what other ways has HAE impacted the way you live your life between attacks?
Please describe.
